

Ford 5.0L 4V Coyote Camshaft Degree Kit

Memphis, TN – Powerhouse® Ford 5.0L 4V Coyote Camshaft Degree Kit includes everything you need to degree your Coyote camshafts in one convenient package.

Powerhouse® Ford 5.0L 4V Coyote Camshaft Degree Kits give you all the tools necessary to set proper timing with the stock camshafts or aftermarket performance cams. Degreeing positions the camshaft for the best performance for your engine, so you get the most horsepower and torque possible out of your application. These degree kits contain everything required to degree a camshaft while the cylinder heads are on the engine. They come with a degree wheel, wire degree wheel pointer, cam checking fixture with metric adapter, 1" travel dial indicator, 5" dial indicator extension, crankshaft socket, TDC piston stop and instructions. All pieces are stored securely in the included hardcover, foam-padded case.
