## 1934 Ford Roadster Wins COMP Cams® Thumpr™ Award In Louisville

**Memphis, TN** – A stunning 1934 Ford Roadster won the COMP Cams® Thumpr™ Award at the 2011 NSRA Street Rod Nationals in Louisville, KY.

At every NSRA event, the Thumpr™ Award is presented by COMP Cams® and the NSRA to one diehard enthusiast with a vehicle that stands out from the rest of the crowd and captures the true essence of American muscle. To reward engineering and ingenuity, Thumpr™ Award winners tend to have unusual and unique engine combinations that deserve recognition. Dan and Elizabeth Lettshek of Clinton Township, MI, were awarded the COMP Cams® Thumpr™ Award at the recent 2011 NSRA Street Rod Nationals. With a beautiful Inglese™ Weber Induction System and a COMP® camshaft, their '34 Ford Roadster was in pristine condition and stood out from the rest of the crowd. Its three point roll bar, rumble seat and slick styling made this Ford a one of a kind roadster. With the award, the couple received a special, one-off trophy designed by COMP Cams®.

### About COMP Cams®
