

## 2012 FAST™ Master Catalog

**Memphis, TN** – FAST™ announces that its fully updated 2012 Master Catalog is hot off the press and available in both print and digital formats.

The new FAST™ 2012 Master Catalog is here and includes all of the Electronic Fuel Injection innovator's latest product lines, including brand-new EZ-EFI® and XFI 2.0™ Fuel Injection Systems, as well as standards such as the LSXR™ and LSXR™ Intake Manifolds. Containing all the products that have made FAST™ an industry leader, this full color, 40-page catalog is available in both print (order at [www.cpgcatalogs.com](http://www.cpgcatalogs.com)) and digital PDF format (download at [www.fuelairspark.com](http://www.fuelairspark.com)). To make selecting the correct electronic component as easy as possible, full color images accompany descriptions and part number charts throughout the catalog. Diagrams, FAQs and other helpful information are also included.
